From the Executive Director's desk

Dear Friends,

It is with great pleasure that I share the significant milestone of the Integrated Project for the Development of People (IPDP) completing 21 years of dedicated service to the community and children of Bengaluru Urban District, from 2004 to 2025. Throughout these years, we have remained steadfast in our mission to empower marginalized and vulnerable populations.

Among the various awards we have received over the decades, one of the most prestigious is the state award from the Government of Karnataka. This recognition is a testament to our collaborative efforts in uplifting society and improving people's lives. Additionally, I have been honored with a Doctorate Award in Social Service from the Indian Virtual Academy for Peace and Education. This accolade acknowledges my three decades of dedication to this cause and stands as a reflection of the unwavering commitment of our entire team and supporters.

Our work spans several impactful programs, including Pre-Primary Education (Early Childhood Care and Education), funded by individual donors and well-wishers, which lays the foundation for formal education for underprivileged children. The Ashakirana Residential Shelter, in collaboration with the MCKS Trust Fund and Weir Mineral India, provides a safe haven and comprehensive support for at-risk children. Through these efforts, we have successfully mainstreamed approximately 1,900 children into formal education. The success of these initiatives is directly attributable to the steadfast support and cooperation from our esteemed Board of Trustees, dedicated staff, generous donors, government agencies, supporting institutions, and the community at large. I extend my heartfelt gratitude to all stakeholders for their invaluable contributions.

We also acknowledge the critical role of other NGOs and various networks in Bengaluru, whose collaboration has been instrumental in extending our reach and delivering essential services such as education, women's empowerment, skill training, nutrition, healthcare, rehabilitation, and child protection. Together, we have made significant strides in advocacy and policy interventions on child rights issues.

Looking ahead, we remain committed to addressing child rights and women's issues within the community, striving to ensure a better future where all individuals can enjoy their rights without exploitation.

I also take this opportunity to mention my involvement as a member of the State Steering and Monitoring Committee under the Mid-Day Meal Scheme, a responsibility I hold in high regard as we continue working towards the holistic development of our children.

Thank you once again for your continued support.

Warm regards,

Dr. K. Beema

INTEGRATED PROJECT FOR DEVELOPMENT OF PEOPLE ®

REG: 337/03-04

ABOUT US

Integrated Project for Development of People (IPDP) marked its beginning in the year 2004 by a handful number of social workers and likeminded people, who always wish to serve the poor, marginalized, disadvantaged and other vulnerable people in the society. The main focus was on education, health, basic amenities for the needy in the community, vocational training in order to create awareness on women's empowerment as well as child rights. The exact plan was successfully executed through trainings, workshops and direct exposure visits through a sustainable approach including participative intervention in the community. Services and Awareness is always our top priority in all of our programs. Our role as a facilitator between the community and the government has successfully yielded fruitful results. We organize various kinds of awareness programs for the slum communities. We have always made sure to get the community ready to fight for their demands from the concerned departments.

OUR PROGRAMS

1. Self - Help Groups (Savings and Thrift program)
2. Akshara Dasoha - Mid-Day Meal
3. Ashakirana Residential Hostel Children in crisis project
4. Feeding Program For Health Camp
5. Feeding Program For Senior Citizens
6. Pre Primary Education center
7. Skill Training Program - Soft skills & BFSI Training
8. Skill Training Program - Training on Tailoring
9. Empowerment Program for SHG Women
10. Feeding support for street vendors
11. Renovation of Government Pre Primary School (Nagarur & Alur)
12. Volunteering Activities

SELF-HELP GROUPS (SAVINGS AND THRIFT PROGRAM)

IPDP has been running savings and thrift program for the women in slums and other needy communities. Under this project we have formed and promoted 1894 SHGs , New SHG groups formed are about 303, which sums upto 22000 members in various areas of Bengaluru Urban & rural District, Channapatna, Ramnagar district , Tiptur , Madhugiri , Kortagere Taluk in Tumkur District. We are guiding SHGs to manage and maintain their activities properly without default. Our coordinators mainly play the role of facilitators between Self-Help Groups and ICICI Bank. We have recommended a minimum sum of Rs.1.5 lakh to a maximum sum of Rs. 15 lakh per group to ICICI Bank. This year we organized ICICI Bank loans which amounts to more than Rs. 42.11 crores for SHGs in the current financial year.

AKSHARA DASOHA - MID-DAY MEAL.

IPDP is successfully running Akshara Dasoha Mid-day Meal program for 80 schools that includes Government school & Government-aided schools in Nandini layout, Sondekoppa, Yelahanka, Rajanukunte ,Devanahalli, Ullal Upanagar, Hegganahalli, Laggere & Vidhyaranyapura clusters in Bengaluru. North, Urban District. The main objective of this scheme is to reduce the number of dropouts and to increase the enrollment in Government schools. This scheme is introduced by the Government of India and the Government of Karnataka with the sharing of 60:40. 1-5 standard includes 6324 children & 6-10 standard includes a total of 5684 children. The monitoring, supervising and execution of this scheme comes under Zilla Panchayat. Successfully through our Mid-Day Meal Scheme about 12,008 children are benefiting every single day.

ASHAKIRANA RESIDENTIAL HOSTEL CHILDREN IN CRISIS PROJECT

While working with the slum communities, we found that there is a need for residential shelter for children in crisis. IPDP initiated Ashakirana Residential Shelter at Jaibhuvaneshwari Nagar in the year 2006 especially for the poor children with the support of Sarva Shikshana Abhiyana (SSA) Government of India. We accommodate about 50 children between the age group of 6-16 to continue their formal education. We make sure to provide basic amenities like food, shelter and clothing to support overall development of the children . The main aim of the program is to mainstream the school dropouts to formal schooling. All our hostel Children are enrolled in Sri Veena vidya samasthe from 2nd Standard to 10th Standard to continue their studies. This Program is supported by MCKS Trust Fund and Weir Minerals India Pvt. Ltd.

FEEDING PROGRAM FOR HEALTH CAMP

Dr. Ramana Rao's renowned free village clinic at T. Begur in Nelamangala taluk (Bengaluru. Rural District) is offering free medical services for poor rural citizens since 1974 and is conducting free health checkup camps where about 1,000 patients are treated in village clinic. With the support of MCKS TRUST FUND we cook and supply food for about 1,000 health camp patients every Sunday. The patients come from local areas 25 to 50 km distance to get free medical support and treatment from this health camp .

FEEDING PROGRAM FOR SENIOR CITIZENS

While working with the slum communities we were approached by a group of elderly people who requested for at least one meal daily due to their family situations which kept them hungry till almost evening daily. This was our starting point, considering their request we came up with a plan of providing lunch to elderly people every day & have not looked back. We are supported by MCKS TRUST FUND to provide one meal every day to the elderly. We have been successfully running this program since 2015. We are happy that 300 elderly people are benefiting every day in Kaveri Nagar, Lakshmi Devi Nagar Colony and Sanjay Gandhi Nagar slums in Bengaluru.

PRE - PRIMARY EDUCATION CENTER

IPDP has initiated Early Childhood Care and Education program for children ranging from 3-6 years by providing pre-primary education especially for poor children in slum areas. The main objective of the program is to prevent malnutrition and to improve the health condition of the children. The program also aims to provide basic education for the poor. We started creche program at Jaibhuvaneshwari Nagar and successfully promoted about 1021 children to formal schools from 2004-2025.

SKILL TRAINING PROGRAM -SOFT SKILLS & BFSI TRAINING

IPDP has executed a Skill Training Program since 2014 successfully where we provide free trainings and job placements for the underprivileged youth aged between 18-35. We train them on banking and financial service, insurance, basics in computer, spoken English, personality development, retail management and career counseling. We run 3 skill training centers in Shrike, Tiptur & Huliyaara which are supported by Smile foundation, MCKS Food For The Hungry Foundation Karnataka & Vedanta Foundation. So far we have trained about 2,988 youth out of which about 2,241 have been successfully placed in different professions based on their abilities and interests.

SKILL TRAINING PROGRAM - TAILORING TRAINING CENTER

We started our free tailoring training in 2019 for 40 students which comprised of 2 batches with 20 students each. Within a year's time about 120 students got promoted to various jobs and self-employment opportunities opened up for their livelihoods. Around 269 women beneficiaries are trained until now. We humbly began this tailoring center successfully in collaboration with Weir Mineral India Pvt Ltd. In Dasanpura Grama Panchayath underprivileged women aged between 18 and 40 were able to find a good job & earn their living. We are in the process to tie up with other big entities in order to take our tailoring program initiatives to the next level.

EMPOWERMENT PROGRAM FOR SHG WOMEN

We organized legal awareness programs for our SHG women in Bangalore under the guidance of Mrs. Margret Sampath. She provided valuable insights into the violations of women's rights and ways to approach and resolve issues they face in families and workplaces. She highlighted many examples of how women can overcome problems and resolve them at their own level. If necessary, suggestions and advice from SHG members can be sought through the concerned coordinators and further assistance can be obtained from the Advocate & Legal Advisor in Bangalore.

Legal assistance was made available to SHG women regarding issues such as domestic violence, mental torture, and physical harassment. It is saddening that many women face numerous challenges but find it difficult to bring them to the forefront. They often suppress their emotions and suffer internally instead of seeking solutions. The SHGs serve as a pillar of support for them. In cases of extreme situations, we have referred and connected them to women rights organizations, and we are pleased to report that many of them have found solutions this way.

We have also created opportunities for women to run small businesses, and we annually organize a business mela to improve local marketing and networking. In parallel, we conduct awareness programs on menstrual hygiene and organize interactive competitions on International Women's Day to encourage women's participation. This project is supported by Target Corporation India Pvt. Ltd.

FEEDING SUPPORT FOR STREET VENDORS

This joint initiatives with Excel Charitable Trust for creating hunger free world as our objective . We actively support by providing food to the needy people. They came up with a concept of feeding street vendors where around 150 were shortlisted. The street vendors had to come early in the morning from various places skipping their breakfast for the purpose of their living which impacted their health adversely . Street vendors like flower & vegetable sellers, tea & cloth distributors , artificial jewelry vendors , street book vendors, homeless people (sleeping in the footpath), few BBMP helpers, gas vehicle drivers, auto drivers etc., are benefited through this project.

VOLUNTEERING ACTIVITIES

Integrated Project for Development of People supported by Weir Minerals India Pvt. Ltd., significant renovation work was undertaken at Alur Government School to enhance learning conditions and promote inclusivity. Improved infrastructure, access to digital tools, and better sanitation facilities have created a more conducive educational environment. In parallel, under the Swachh Bharat Abhiyan, Nagaruru Village initiated a cleanliness and hygiene drive. Additionally, seedball techniques were introduced to support ecological restoration—helping combat deforestation and soil degradation. These combined efforts reflect a sustainable, community-driven development model focused on education and environmental health.

IPDP has been creating a platform for volunteers towards community development and creating a lot of opportunities for volunteering activities like Awareness on financial literacy, awareness on digital literacy & educational exposure for Ashakirana Residential Hostel supported by Target Corporation India.

Empowering a Family Through Self-Reliance

Chandana R, Staying in Bangalore, after completion of B.Com, She did not join her higher education due to family financial status. After completion of her training in STeP she was placed in Gold Nest Finance Pvt Ltd as a Sales Executive. She is taking 14000/- salary. Chandana , says 'I am excited to be a working professional as I have learnt many new things. I can also save for myself and for my parents'. At work place also, everyone appreciates me for my effort and contribution towards my job. I feel proud to be a part of my family's financial growth

Ranju S P, Staying in Bangalore, after completion of B.Com, She did not join her higher education due to family financial status. After completion of her training in STeP she was placed in Manjunath & Co as a Assistant Accountant. She is taking 15000/- salary. Ranju , says 'I am excited to be a working professional as I have learnt many new things. I can also save for myself and for my parents'. At work place also, everyone appreciates me for my effort and contribution towards my job. I feel proud to be a part of my family's financial growth.

Vinay, aged 21 years, is currently pursuing a BSc in Nursing. He was raised by a single parent and has faced significant financial challenges throughout his life. Due to these hardships, he joined the hostel provided by IPDP under the Ashakirana Program. In his early years, Vinay and his parent struggled to make ends meet, but his mother was determined to ensure he received a good education and opportunities for a better future. During this time, while IPDP was enrolling students from underprivileged backgrounds into the Ashakirana Program, Vinay's mother , through a middleman, came into contact with the organization and successfully enrolled him. Vinay is deeply grateful that IPDP not only supported his education but also provided nutritious meals and encouraged his participation in co-curricular activities like sports and yoga. With the help of IPDP, he was able to focus on his studies and scored well in his SSLC examination, which boosted his confidence and motivated him to pursue higher education. Today, as a BSc Nursing student, Vinay is on the path to becoming self-reliant and is determined to support his family in the future. He acknowledges that this opportunity has played a crucial role in shaping his career and life. He expresses his heartfelt gratitude to Weir Minerals India Pvt.Ltd, MCKS Trust Fund, IPDP, and especially to Beema Sir (Director of IPDP) for their unwavering support and guidance.

Empowering a Family Through Self-Reliance

I'm Hamsalekha, a B.Com graduate. I lacked computer skills and English communication, which made it hard to perform well at work and grow professionally. After joining a computer center in Tiptur, my skills improved greatly. Now, I speak fluent English, use computers confidently, and support my family both financially and emotionally. This transformation has boosted my self-confidence, and I'm truly grateful to Vedanta Foundation, MCKS food for the hungry foundation Karnataka and IPDP for changing my life.

Name: Uma

SHG Name: Gajanana Swa sahaya sangha

Business: Provision Store & Flower Business

Location: Dooda Gollarahatti

Profit : ₹25,000 per month

Opinion: We feel that the initial support for our business has greatly improved our family's standard of living and boosted our self-confidence. We have become an example for many SHGs. We encourage other women to take up similar initiatives and step into entrepreneurship. We sincerely thank our Coordinator and IPDP for helping us believe in ourselves

Name: Mutthulakshmi

Self-Help Group: Rainbow Self-Help Group

Location : Jai Bhuvaneshwari Nagar

Monthly Earnings: ₹8,000 – ₹10,000

Mutthulakshmi is a proud member of the Rainbow Self-Help Group (SHG) and runs a small tailoring shop. With consistent earnings between ₹8,000 and ₹10,000 per month, her business has become a lifeline for her family.

Her husband works as a daily wage laborer, and their son is currently pursuing Diploma in Pharmacy (D. Pharm) through a scholarship. Thanks to her hard work and income from the tailoring shop, she has been able to provide education, food, and shelter for both her son and daughter.

This small business has brought dignity, stability, and hope to her household – empowering the next generation through education.

GOVERNMENT OFFICIALS & DONORS VISITS TO THE MDM PROGRAM

Smt. Umadevi, the Educational Officer (EO) for the Mid-Day Meal (MDM) Scheme with the Government of Karnataka, oversees the entire program at the district level. She is responsible for managing the scheme and regularly visits NGOs and schools to assess the quality and organization of the kitchen centers. Her visits are aimed at ensuring that standards are met and that the program functions efficiently. Smt. Umadevi has visited IPDP multiple times, offering valuable insights to help enhance the smooth operation of the MDM scheme. Along with her, ADPI North, Sri Jagadesh, and ADPI South, Smt. Sudha Chakravarthy, also provide their valuable guidance.

The MCKS Admin and coordinator Team visited the feeding program projects to assess their impact at the field level. During the visit, they provided valuable guidance and interacted with the staff on-site. They observed the day-to-day operations and evaluated the effectiveness of the implementation. The team offered suggestions for further improvement and shared their insights. Overall, they were very happy with the program's execution and positive outcomes.

Sri Shivaswamy, MDM Coordinator at IPDP NGO, is a key pillar of the MDM project. He regularly visits our MDM government schools and interacts with Headmasters, teachers, and students to ensure that the project runs smoothly and effectively, maintaining high standards in food distribution. He is happy and content with his work, which he has been dedicated to for decades.

OUR STAFF TEAM

We're proud to highlight the unwavering dedication and impact of our IPDP staff, whose efforts this year have brought meaningful change to the communities we serve. Their commitment to inclusive development and grassroots engagement continues to inspire and strengthen our collective mission
